

TITAN FLIGHTWORKS LLC

WEBSITE TERMS & CONDITIONS

Effective Date: September 1st, 2026

By accessing or using the Titan Flightworks LLC website, you agree to these Terms. If you do not agree, do not use the website.

1. About Titan Flightworks

Titan Flightworks LLC ("Titan," "we," "us," or "our") provides professional photography, videography, drone/UAS and aerial media services, including real-estate media, business promotions, weddings and events, and related services.

2. Website Use

You may use this website only for lawful purposes. You may not interfere with website security, attempt unauthorized access, introduce malicious code, scrape or copy website content unlawfully, impersonate another person or business, or submit fraudulent or unlawful information.

3. Website Information

Descriptions, sample images, pricing, availability, packages, turnaround times, and service descriptions are general information and may change. A website inquiry does not itself create a service contract. A project becomes binding when Titan accepts a booking under a written agreement, proposal, invoice, or other accepted booking document.

4. Quotes, Bookings and Payment

Quotes and proposals are subject to the terms stated in the applicable proposal and service agreement. Deposits, balances, cancellation fees, rescheduling fees, travel charges, additional aerial coverage, and other charges are governed by the applicable project documents.

5. Drone/UAS Operations

Drone services are subject to applicable FAA requirements, airspace restrictions, weather, visibility, site conditions, equipment limitations, safety considerations, and applicable state or local requirements. Titan may postpone, modify, limit, or cancel an aerial operation when conditions are unsafe, unlawful, restricted, or unsuitable. The FAA states that commercial small-UAS operations are subject to Part 107 and that privacy matters may also be governed by state or local law. [Privacy Policy](#)

6. Property and Access Permissions

Clients are responsible for permissions needed to access or photograph/video private property, venues, businesses, tenants, controlled areas, and other locations unless Titan expressly agrees otherwise in writing. A separate Property Release may be required.

7. People and Model Releases

Clients are responsible for identifying situations in which identifiable people appear in media and for obtaining permissions or releases required for the intended use. Titan may require a separate Model Release for commercial or promotional use of an identifiable person's likeness.

8. Copyright and Intellectual Property

Unless a signed written agreement expressly transfers rights, Titan retains copyright and other intellectual-property rights in photographs, video, drone imagery, graphics, website content, logos, text, and other original materials owned or created by Titan. Client usage rights are determined by the applicable service agreement or license.

9. Portfolio and Promotional Use

Unless a project-specific agreement says otherwise, Titan may display completed work in its portfolio, website, social media, proposals, advertising, presentations, and other promotional materials, subject to applicable property, privacy, publicity, confidentiality, and other rights.

10. Third-Party Services

The website may use or link to scheduling, payment, gallery, cloud-storage, social-media, analytics, mapping, communications, or other third-party services. Titan does not control third-party sites and is not responsible for their content, availability, security, or privacy practices.

11. Website Availability

Titan does not guarantee uninterrupted or error-free website availability and may change, suspend, or discontinue website content or functionality without notice.

12. Disclaimer and Liability

To the fullest extent permitted by law, the website and general information are provided without warranties of any kind. Titan will not be liable for indirect, incidental, consequential, special, exemplary, or punitive damages arising from website use, except to the extent liability cannot lawfully be excluded or limited.

13. Indemnification

To the extent permitted by law, you agree to indemnify and hold Titan harmless from claims arising from your unlawful use of the website, violation of these Terms, infringement of third-party rights, or materials you submit to Titan, except to the extent caused by Titan's own non-waivable liability.

14. Changes

Titan may update these Terms. The updated version will be posted with a revised effective date. Continued use after an update constitutes acceptance to the extent permitted by law.

15. Governing Law

These Terms are governed by applicable law identified in the applicable client agreement or, if none is identified, the law applicable to Titan's business, subject to mandatory law that cannot be waived.

16. Contact

For questions about these Terms, contact Titan Flightworks LLC through the contact information published on the website.
